GENERAL REQUIREMENTS

The University now wants to recruit Professors into the seven (7) Colleges of the University; hence, applications are invited from suitably qualified and interested candidates for employment as Professors into the University. Interested candidates must demonstrate expertise in teaching, research and community engagement as well as capacity to contribute to the holistic development of the academic community.

The candidate being sought must be able to adopt a teaching model that combines online educational teaching with traditional in – person classroom learning, to assist students in acquiring specific knowledge, competencies and skill.

The prospective professor must show evidence of research which must also be in their field of expertise and same must have been published in academic journals

Community engagement which should be within and outside the University Community must entail public lectures, collaborations with industries and participation in community - based projects that address pressing societal issues as well as having the capacity to promote public good.

Adeptness in mentoring junior academic colleagues and students, apt leadership skills, willingness to participate in academic governance and policy making are also very important attributes required of the candidate.

SPECIFIC REQUIREMENTS: ACADEMIC QUALIFICATIONS AND EXPERIENCE

Candidates being sought by LASUED must possess the following academic qualifications and experience:

- i. Ph.D. in relevant discipline;
- ii. At least five (5) publications since the last promotion;
- iii. must have minimum of fifty (50) points from at least twenty-five (25) publications out of which at least four (4) must be foreign based;
- iv. the publications must be in their areas of specialisation;
- v. evidence of supervision of postgraduate and undergraduate research works in their areas of specialisation in a university and must have served as External Examiner for Ph.D students;
- vi. must have demonstrable capacity to participate in inter/multi – disciplinary research and appreciable administrative experience and;
- vii. ability to win research grants for the University.

METHOD OF APPLICATION

Fifteen (15) copies of detailed application letter, including photocopies of candidates' credentials (O' Level result(s) inclusive and signed Curriculum Vitae) should be presented.

The Curriculum Vitae should be presented in the following order:

- i. Name in full with Surname first (BOLDLY WRITTEN)
- ii. Place and Date of Birth
- iii. State of Origin
- iv. Permanent Address
- v. Current Postal Address
- vi. Nationality
- vii. Marital Status
- viii. Number and Ages of Children
- ix. Academic/Professional Qualifications (with dates and Institutions)
- x. Statement of Experience including full details of former and present position
- xi. Current Research
